

PREP PRODUCTS

SCUFF & CLEAN

- Prepares bumpers or panels when refinishing or blending.
- Abrasive action improves adhesion.

PART #	DESCRIPTION	SIZE / PACKAGE
38338	SCUFF & CLEAN	PINT

VINYL PREP

- Cleans soil, wax and grease from vinyl substrates.
- Softens and prepares the surface for topcoat adhesion.

PART #	DESCRIPTION	SIZE / PACKAGE
38343	VINYL PREP	AEROSOL
38344	VINYL PREP	QUART

PLASTIC/LEATHER PREP

- Removes contaminants such as mold release agents, fingerprints and grease.
- Leaves plastic substrates clean for coating.
- Will not soften or distort plastic.

PART #	DESCRIPTION	SIZE / PACKAGE
38351	PLASTIC/LEATHER PREP	GALLON
38353	PLASTIC/LEATHER PREP	AEROSOL
38354	PLASTIC/LEATHER PREP	QUART

WORLD CLASS™ SURFACE CLEANER

- Waterbased formula is safe for preparing bare metal, plastic, OEM topcoats and refinished undercoats for painting.
- Removes dirt, oil, grease, silicone and other surface contaminants.

PART #	DESCRIPTION	SIZE / PACKAGE
38381	WORLD CLASS SURFACE CLEANER	GALLON

WORLD CLASS™ VINYL/PLASTIC PREP

- Performs as a solvent based cleaner.
- Meets all current air quality regulations.
- Possesses ANTI-STAT properties.

PART	DESCRIPTION	SIZE / PACKAGE
38464	WORLD CLASS VINYL/PLASTIC PREP	QUART

TECH TIP: Before any refinishing project, take the time to thoroughly clean. Often, both solvent and water-based contaminants exist on the surface. It is important to use a water-based cleaner such as 39362 SEM SOAP and a solvent-based cleaner, such as 3835() PLASTIC/LEATHER PREP to ensure these contaminants are removed.

PART #	DESCRIPTION	SIZE / PACKAGE
38363	SAND FREE	AEROSOL
38364	SAND FREE	QUART

SAND FREE

- Adhesion promoter for ABS, PVC and similar plastics.

PART #	DESCRIPTION	SIZE / PACKAGE
38371	SEM SOLVE	GALLON
38373	SEM SOLVE	AEROSOL
38374	SEM SOLVE	QUART

SEM SOLVE

- Removes adhesives, wax, road tar, grease and paint overspray.

PART #	DESCRIPTION	SIZE / PACKAGE
39362	SEM SOAP	15 OZ

SEM SOAP

- First step cleaner for all repair and refinish procedures.
- Gravitates into the substrate and floats contaminants to the surface.
- Slightly abrasive to open the substrate for greater adhesion.

LEATHER CARE

PART #	DESCRIPTION	SIZE / PACKAGE
41198	LEATHER CLEANER	PINT

LEATHER CLEANER

- Removes soil from leather surfaces.
- Used on most automotive leathers, as well as shoes and luggage.
- Silicone free.

PART #	DESCRIPTION	SIZE / PACKAGE
41208	LEATHER CONDITIONER	PINT

LEATHER CONDITIONER

- Protects leather from cracking and premature aging.
- Keeps leather soft and smelling like new.
- Silicone free.
