WPT Cleaner and WPT Multi Foam

WPT-Cleaner is a silicone-free product for waterless car wash: A quick and easy way to remove light dust and fingerprints while maintaining a just waxed finish. Your car will look showroom new.

WPT Cleaner's spray on, wipe off formula leaves a streak free, waxed finish, which will keep water beading for 6-8 weeks. WPT Cleaner can be used on all non-porous surfaces of a vehicle. It is also great for removing bird droppings.

WPT Cleaner comes in a handy, environmentally sound, 237 ml. pumpbottle. Also available in 949 ml refill bottles, and bigger volumes.

WPT Multi Foam is the cleaner pre-eminently to remove grease, insects, and smogdust from windshields, dashboards and carseats.
