WPT Paint Correction System

The WPT Paint Correction System is a complete mobile system for the rectification of:

- Faded, dull paints
- Paint imperfections (scratches, swirls etc.)
- Overspray from painted surfaces

The system contains a.o.:

- Meguiar's Mirror Glaze Cleaners, Polishes, Pads and Sanding Blocks.
- WPT Treatment Clay and Liquid.

The WPT Paint Correction Starter Kit comes in a handy WPT Systemer. The WPT Paint Correction System is safe, effective and easy to use: a must for the professional car detailer.
